Liz Donahue of Starhaven becomes a member of STAR CHILDREN'S CHARITY

Plano, Texas – Liz Donahue, CEO & Designer of Starhaven has become a member of Star Children's Charity and will be actively working with the children's charity, raising funds and awareness for children in need. The Launch Party was sponsored by Neiman Marcus September 13th with founding members Michelle Brennan of Brennan Financial and Linda Paulk of Sky Ranch. This dynamic duo along with their affluent board member team create the perfect combination for success.

Star Children's Charities focuses on supporting the non-profit organizations serving the children of Collin County. By producing world-class fundraising events each year, the men and women of Star will raise funds for distribution to agencies serving children and families. It is their hope that these events will attract individual and corporate philanthropic dollars as well as create a sense of community.

Fundraising will begin in 2008 with a spring golf tournament & exquisite fashion event, with the Starlight Ball in December.

"Knowing the kindness and professionalism of Michelle and Linda, I was honored to be invited as a member of the Star Children's Charity. Being also associated with Big Brothers/Big Sisters of North Texas, I am dedicated to helping children in need. I feel blessed to be part of this extraordinary member and sponsor team. I have no doubt that together we will succeed in building Star Children's Charity as a top Texas Charity."
