## **STARHAVEN GIVES BACK**

Dallas, Texas – Liz Donahue, CEO & Designer of Starhaven by Liz Donahue, announced the association of her company and “The Dallas County Affiliate of Susan G. Komen for the Cure®” to endorse her newly designed Ribbon Bracelet.

Liz was inspired to design her Starhaven Ribbon Charm Bracelet after learning one of her own family members was diagnosed with Breast Cancer and was about to have the fight of their life. After her beloved stepmother lost her battle with cancer over 12 years ago, Liz felt compelled to use her talents and jewelry collection to join the fight against cancer. In honor of her cousin and all the woman in the world battling and surviving breast cancer, Liz launched a mission to help make a difference with Komen for the Cure®.

“Learning my cousin had been diagnosed with breast cancer and what she had to endure in order to survive, was emotionally devastating. I have been given a talent to be able to help people and now it is time to put it to work for a cause. Honoring my cousin with the first bracelet and letting her know what I was about to launch with Susan G. Komen for the Cure® was very overwhelming for both of us.” – *Liz Donahue*

With the gracious endorsement of “The Dallas County Affiliate of Susan G. Komen for the Cure®,” Starhaven is not only launching the Starhaven Ribbon Bracelet across Texas but nationwide, with the first event at Grayson Allen Fine Jewelers in Southlake, Texas in October. Starhaven will be holding various events throughout the country donating a portion of all Ribbon Charm Bracelet proceeds to the foundation.

Komen for the Cure is the world's largest grassroots network of breast cancer survivors and activists fighting to save lives, empower people, ensure quality care for all and energize science to find the cures. Thanks to events like the Komen Race for the Cure, they have invested nearly \$1 billion to fulfill their promise, becoming the largest source of nonprofit funds dedicated to the fight against breast cancer in the world. Susan G. Komen for the Cure® has played a critical role in every major advance in the fight against breast cancer over the past 25 years - transforming how the world talks about and treats this disease and helping to turn millions of breast cancer patients into breast cancer survivors.
